GUNBAE

KOREAN |B|B|Q|

Welcome to Gunbae, an interactive and hands-on social dining experience that's centered around the vibrant culture and vast cuisine of Korea.

In Korean cuisine, small plates called banchan represent a category unto themselves: side dishes that act as condiments and compliments. Banchan is an important part of Korean cuisine and is always part of a Korean meal, from a simple dinner that's home cooked to a formal gathering seen at ceremonial celebrations.
